The Snake

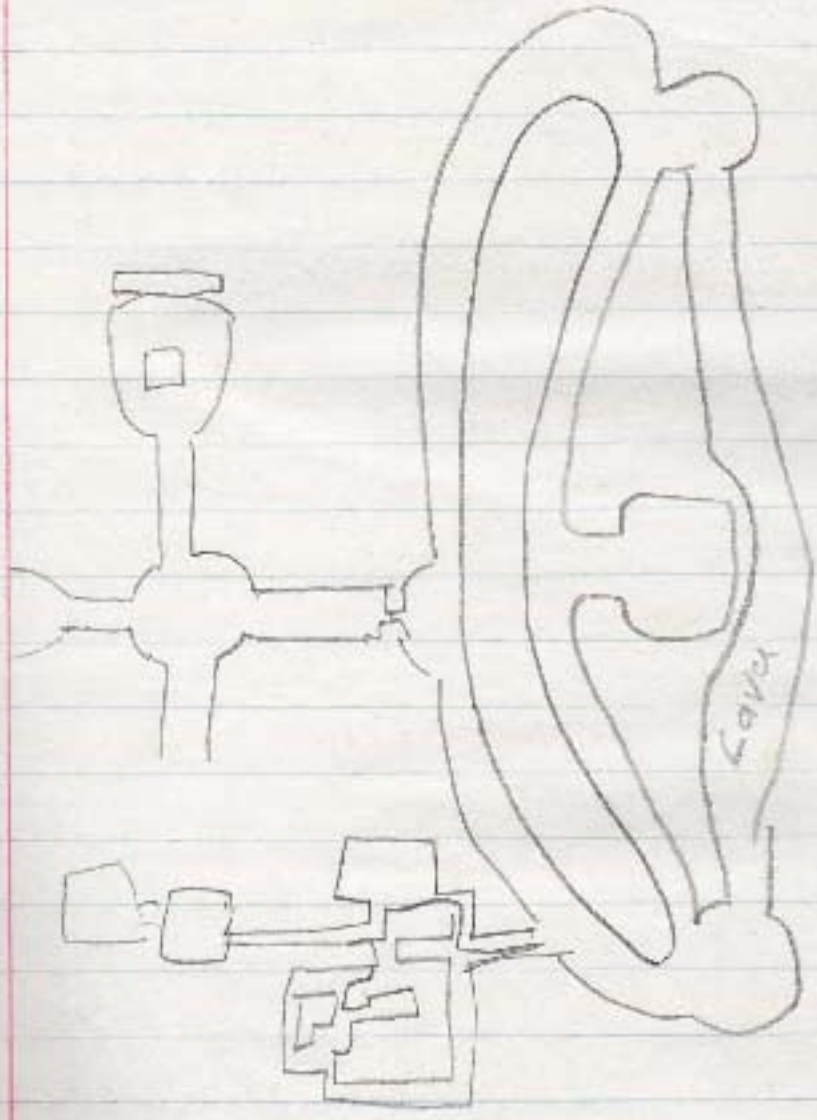

While sailing in the South Sea we found an island with mountains and only one way in. a huge snake was blocking it but it would not attack me but it would not let me

through. I heard a priest say
something that his name
was 'INVOKE'. A priest said
to me I used a mark. I
think if I every find
one of these marks I can
return to the Isle
of the Snake.

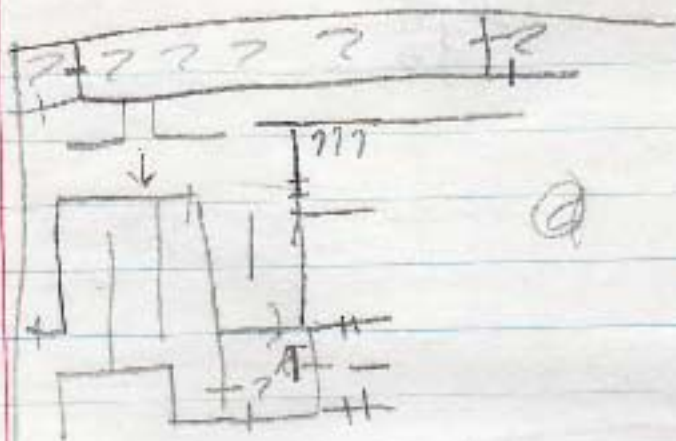

CONCLUSION

Find a mark
